THIS POWDER is quite HARMLESS to animal life but is univalently effective against Fleas, Beetles, Moths in all other species of insect, Spiders, etc. It is invaluable to domestic fowls in their dogs, and cats and their pet dogs.

This article has found so great a sale that it has tempted others to sell a spurious article in imitation of the genuine. To guard against this we are enclosing photographs of the genuine powder and photograph of THOMAS KEATING & CO. New York City.
